

**GLOVERSVILLE ENLARGED SCHOOL DISTRICT  
GLOVERSVILLE, NY 12078**

According to NY State, Public Health Law 2164, a child born after January 1, 1998 is required to have the following immunizations to attend school. three DPT's, DT's, or TD's, three OPV's, three Hepatitis B's, one Vericella, one Mumps, one Rubella and two Measles. In our area the last three are usually given as two MMR's. Your child's record shows the following immunizations must be given, and written proof shown to the nurse. If your child has had the immunizations, please submit written proof from the doctor or the clinic.

This **MUST BE DONE BEFORE YOUR CHILD ENTERS SCHOOL.**

DPT	POLIO	MMR	HEPATITIS B	VERICELLA
1.	1.	1.	1.	1.
2.	2.	2.	2.	
3.	3.		3.	

**I understand the above and have been provided with the information to get the necessary immunizations. I will see that my child receives the required immunizations and will provide the school with proof of immunizations, BEFORE school starts..**
