Introduction

Emergencies and violent incidents in school districts are critical issues that must be addressed in an expeditious and effective manner. To address these threats, the State of New York has enacted the Safe Schools Against Violence in Education (SAVE) law, Project Save is a comprehensive planning effort that addresses prevention, response, and recovery with respect to a variety of emergencies in each school district and its schools.

The Gloversville Enlarged School District, supports the SAVE Legislation and intends to facilitate the planning process. The Superintendent of Schools encourages and advocates on-going district-wide cooperation and support of Project SAVE.
